

Skills Competition

1. **Dinger Derby** – One player from each team will participate in this event. Coaches will pitch to their own player.
2. **The Flash** - One player from each team will participate in this event. Player runs around the bases starting and finishing at home plate. Fastest time wins.
3. **Fastest Double Play** – Three players from each team will participate in this event. CASV staff will roll a ground ball to the shortstop, who will field the ball and throw it to the second baseman on the bag or tags the bag. After tagging the bag at second base the second baseman throws the ball to the first baseman. This is a timed event that begins when the ball hits the shortstops glove and ends when the first baseman tags first base while in possession of the ball. Fastest time wins.
4. **Bucket Time Team Relay** – This event involves ten (10) players – nine fielders positioned as shown in the diagram below and a catcher in full gear. This is a timed drill that begins in left field. The ball is thrown off the left field wall by either a coach or a CASV staff member and it is fielded by the left fielder who will throw it to the cut-off fielder who will then throw the ball to the third baseman who then throws to the catcher. The catcher will drop the ball into a bucket at home plate. As soon as the ball is dropped a CASV staff member will call “Bucket” over the PA System at which time a second ball is played off the center field wall and is fielded by the centerfielder, thrown to the cutoff player who throws to the second baseman who throws to the catcher who drops the ball into the bucket and “Bucket” is again called over the PA System. The third ball is played off the right field wall to the right fielder, to the cutoff man to the first baseman to the catcher. When the third and final ball is dropped into the bucket the announcer calls “BUCKET! TIME!” and the clock stops. Fastest time wins.
